

Sentinel Kiwanis' focus for charitable giving is on programs that directly benefit children in our community. The Sentinel Kiwanis Allocation Committee meets on a quarterly basis to review donation requests. We encourage organizations to submit their donation requests well in advance of due dates. Requests that are received with a due date before our next committee meeting will not be able to be considered.

We take into account the following criteria when reviewing requests:

- Organizational and financial management
- Program objectives
- Diverse number of children who will benefit from funding
- Existing services offered
- Existing funding sources and stability
- Organizational history
- Ability to measure success
